From the Presidents Wheelhouse July 2025

Dear Members and Friends, I hope this report finds everyone well.

That's a wrap for the 2024/25 fishing season — and my first year as club President. It's been a truly rewarding experience and, at times, a steep learning curve. I'm incredibly grateful for the support, patience, and encouragement many of you have shown along the way.

I'd like to take this opportunity to sincerely thank all our sponsors for their continued support throughout the year. You are invaluable to our club — without you, our competitions simply wouldn't be possible. Your generosity and commitment help keep the spirit of the club alive and thriving.

A huge thank you also goes to our members and their families for consistently showing up to rallies and competitions, even when the fish were hard to come by. Your dedication, camaraderie, and good humour are what make this club so special.

Recapping the year, one thing that really stood out was the incredible performance of our Small Fry and Junior anglers.

They absolutely smashed it this season — setting club, state, Australian, and even a world record. These are amazing individual achievements, but they also reflect the effort and support from families and friends who are helping to shape the future of our club.

A season highlight was our biggest competition of the year, which was not only well-run but also won by a Small Fry angler — an incredible moment for everyone involved. We also saw the successful return of the John and Ruth McGiveron Interclub Shield, where St Helens Game Fishing Club claimed victory and bragging rights for the year. A huge congrats to them!

Join us on the 16th August for our AGM and Annual Dinner and Trophy Presentation Night, come along for a feed, a drink, and help celebrate everyone's achievements from the season. I can't wait — and I'm really looking forward to seeing as many of you there as can make it.

Thanks again for an amazing season.

Jez
